Bottle Bill and Dam Bill Alert !

July 25, 2012

Please Call Your Representative ASAP Bottle Bill and Dam Bill Pass Senate

Late last week the Senate passed the Economic Development Bill ([HB4119](#)). Included in the bill as amendments were the Updated Bottle Bill and the Dam Bill. Both bills would provide additional resources to agencies with MOSES members. Neither were included in the version of the Economic Development Bill passed earlier by the House, so both of these measures will now be debated by a House-Senate conference committee.

We urge you to contact your Representative today and ask them to speak with House leadership and the conference committee members about the importance of keeping both the Updated Bottle Bill amendment and the Dam Bill amendment in the Economic Development Bill. If those amendments are retained in the final version of the Economic Development Bill, we are confident both the House and Senate will vote to pass the overall bill.
